Revisions in 1972 Monthly Data

Revisions in monthly data previously published in the 1972 issues of Report FT 135 are shown in the following section. The revisions are given on a monthly basis in Schedule A commodity by country of origin arrangement and in terms of net amounts to be added to or subtracted from the published figures. Data followed by a minus sign (-) are to be subtracted; other data are to be added. Although the revisions have not been prepared by commodity groupings, they are applicable to monthly data previously published in table 1. These revisions have been included in the cumulative data presented in this issue.
